The screenshot shows the MicroStrategy Desktop interface. The menu bar includes File, Edit, View, Go, Tools, Administration, Schema, Window, and Help. The toolbar has various icons for file operations. The left sidebar shows 'Other Shortcuts' and a tree view of objects under 'PS_DS_MD_Access'. The main area displays a table of logical tables:

Name	Type	Modification Time	Description
dim_idjent	Logical Table	3/19/2017 5:09:12 PM
